Objectives

Multi-talented professional with dynamic skillset seeks a position with an established, mission-driven organization or institution.

Experience

Educator/Docent ▪ January 2017 – present

Sacramento County Office of Education ▪ 10474 Mather Blvd., Sacramento, CA 95655

Facilitate outdoor education experiences for underserved youth at River Bend Park in the American River Parkway. Lead STEM-based lessons and natural world interpretation with groups of 20 students.

Part-time Lecturer ▪ August 2016 – January 2019

Sacramento State University ▪ 6000 J Street, Sacramento, CA 95819

Courses taught in the Recreation, Parks, and Tourism Administration Department are focused on teaching policies and practices towards physiological, psychological and social development through outdoor recreation experiences.

Youth Education Director ▪ October 2007 – September 2016

Soil Born Farms Urban Agriculture and Education Project ▪ 2140 Chase Drive, Rancho Cordova, CA 95670

Design, implement, and manage farm and nature-based school day and summer programs for youth and adults. Design and deliver public workshops and outings focused on native plant habitats, wildlife tracking, and the study of bird language. Write and publish curriculum focused on creek restoration monitoring. Manage staff and volunteers. Grant writing and complete oversight of department.

Credentialed Teacher ▪ August 2001 – October 2007

San Juan Unified School District ▪ 3738 Walnut Avenue, Carmichael, CA 95608

Create a safe and effective learning environment for 6th grade students in a self-contained classroom. Design and execute a standards-based outdoor education program and curriculum utilizing the American River Parkway. School Site Council, Student Council Advisor, and Parent Teacher Association Representative. Credential current through 2021.
